Contrary to popular belief, work here at C R L S does accompany play. Our course of study includes such subjects as personal typing, advanced science courses such as physics and chemistry, advanced placement English, and other courses to prepare students for work or further study.

THE YEAR'S FIRST DANCE

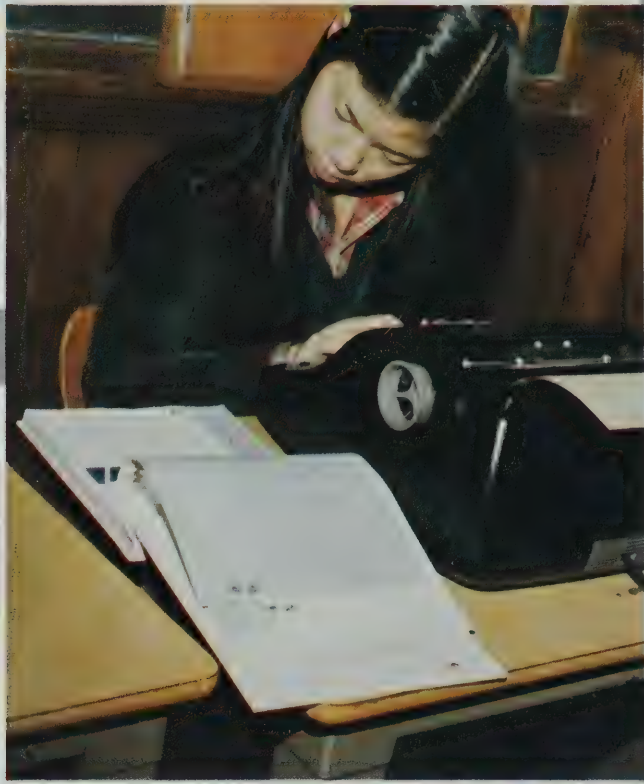

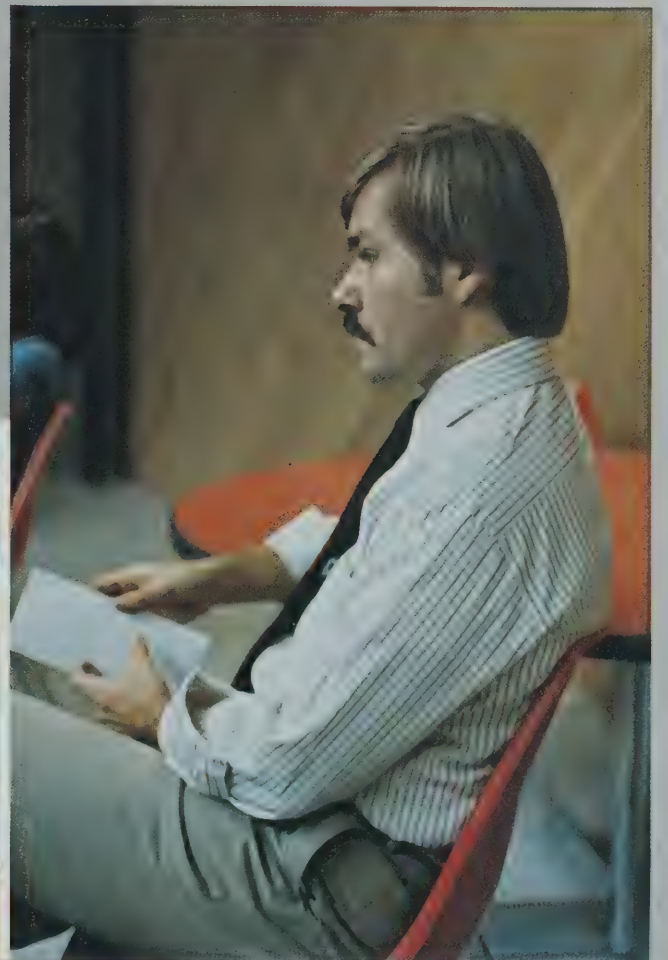

People getting together . . .

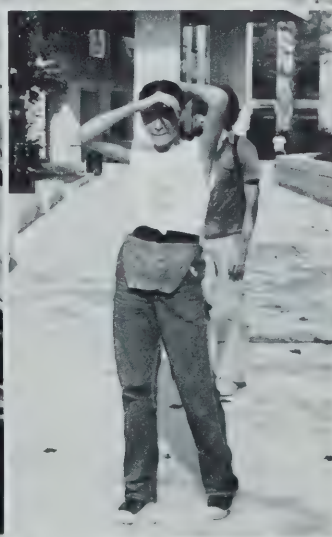

... before, during and after class

... Enjoying Leisure Time and Resolving Conflicts

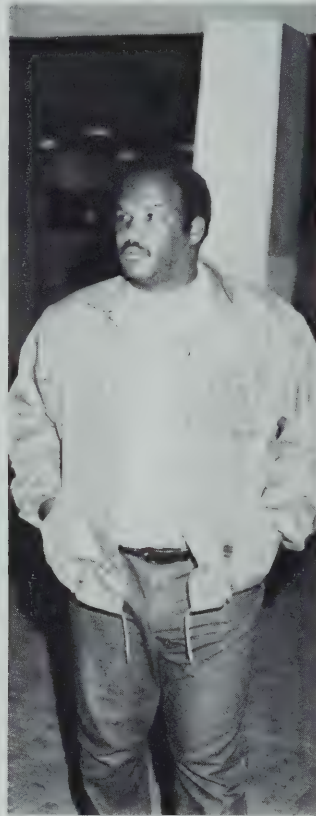

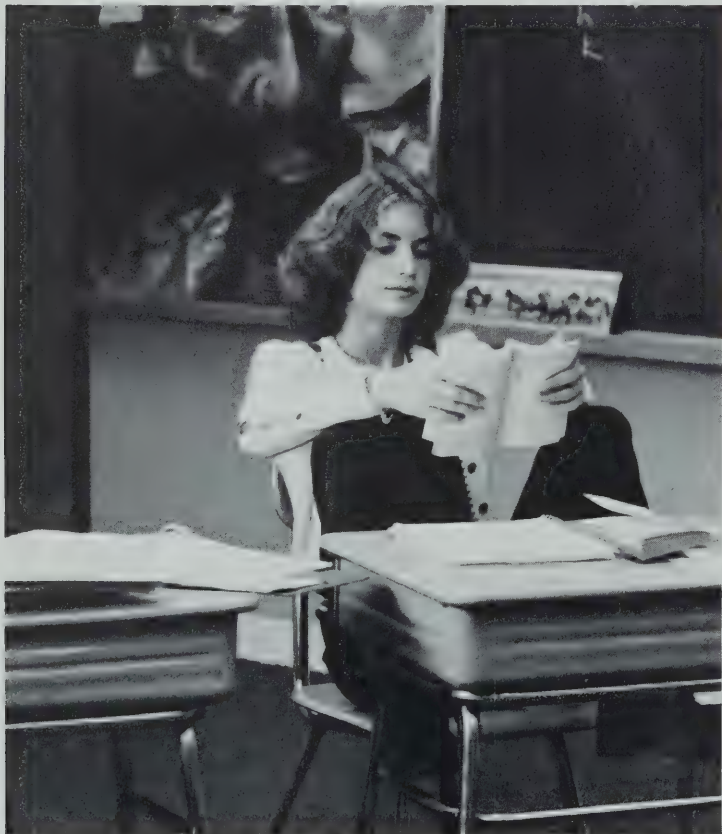

The warmth of the old combines with the atmosphere of the new for a rejuvenated climate of learning. Our new environment has increased our pride in our school and ourselves.

Together we learned the value of using our time constructively to enhance our future. Educational skills for our college days, or future occupations, were attained by all.

Dedication

Leslie H. Kimbrough

C.R.L.S. is fortunate to have a faculty member so devoted to the student body as Leslie Kimbrough is. For the past decade, Mr. Kimbrough has participated in student action groups, attended seminars pertaining to student rights and he has worked hard promoting student relations. He has proven himself to be an understanding and thoughtful person. Whenever we need anyone to talk to, he always respects our views and ideas and for this we thank him and respect him. He always treated us as "young persons". He will always be remembered as a true friend.

The Yearbook Staff would like to thank Mr. Kimbrough for his hard work and devotion because without him, this yearbook would not have been possible.

The Class of 1980 proudly dedicates this yearbook to Mr. Leslie H. Kimbrough.

IN MEMORIAM

Anthony Colosimo
1962 — 1980

Anthony (Mottoy)

As Senior Year comes to an end,

We cannot help feeling a part of us is missing.

We will remember you as a considerate, honest and good friend who
was there when we needed you.

Those of us who knew you best will always share your feeling.

"ONCE AN EASTIE, ALWAYS AN EASTIE"

You will be a part of us Always

With Love,

Your True Friends

The death of one we know saddens us all; the death of one so young is indeed tragic. Anthony's death touched us all: his close friends, and those who never had the pleasure of meeting him. His death made many of us question where we are as a school and community. So we ask, how did we come to this?

We ask why, but we must go on. As we continue we must acquire a new spirit of cooperation and understanding, so that we never again have to mourn the tragic loss of another of our youths.

IN MEMORIAM

Susan Sutherland
1963 — 1980

LIFE

"The length of life as we . . . think of it . . . is not its duration or its longevity, but it is the push of a life to achieve its personal ends and ambitions. It is the inward concern for one's own welfare. The breadth of life is the outward concern for the welfare of others. The height of life is the upward reach for God."

Dr. Martin Luther King, Jr.

For Susan

Even though, in terms of years, Susan's life was not a long one, we would like to feel that it was a full one.

She experienced Love, and to some extent hatred, happiness and to some extent sadness, hope and to some extent despair.

Through all of these she was always Susan.

Those of us who called her Friend saw the many sides of her and loved her.

Those of us who called her Friend love her still, and miss her dearly.

COME AS YOU ARE?

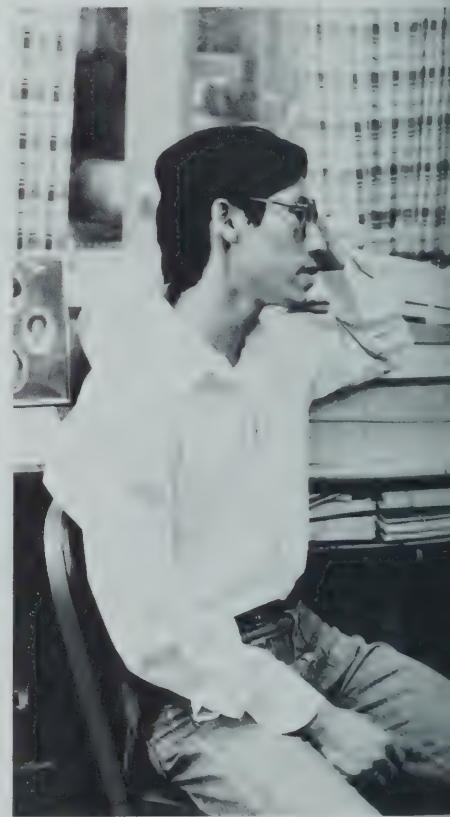

HALLOWEEN
PARTY

The Second Annual Halloween Party, sponsored by the C.R.L.S. Yearbook Staff, was indeed a real scream. Among the sizeable costumed crowd was a diverse mixture of originality and humor. There were prizes for the best outfits, and the yearbook fund-raiser grossed a substantial amount of money. Everyone had a great time dancing and socializing as they tried to identify their friends behind the masks and make-up.

Willard Wirtz

On October 19, 1979, Willard Wirtz, former Secretary of Labor under Presidents, John F. Kennedy and Lyndon B. Johnson. Mr. Wirtz's visit was sponsored by the dedication of John F. Kennedy Library in Boston. Mr. Wirtz spoke briefly of his years in "Cabinet" and his memories of President Kennedy. Many students asked questions and interesting discussions pursued.

Representative Mel King

In October of 1979, State Rep. Mel King surprised many Boston political observers by finishing third in the Boston mayoral primary. A week later Mel King was a guest speaker in Mr. Conward's Black History class. Representative King talked with the students on how citizens can organize to gain political power. Mr. King also spoke with individual students and engaged the groups in a discussion and question and answer period.

BLOOD DRIVE

C.R.L.S.

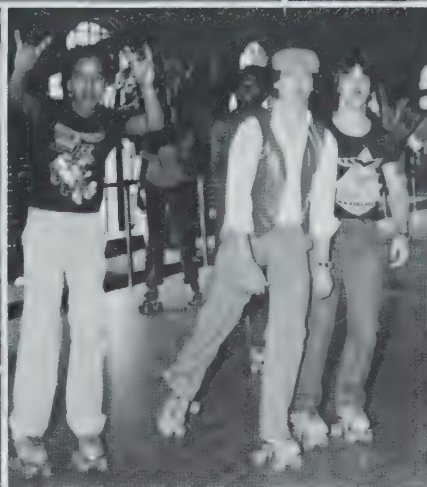

The Fourth Annual Blood Drive sponsored by the Red Cross and the C.R.L.S. Student Government, accomodated nearly 50 donors. Both students and teachers were encouraged to give a pint of blood. Many seniors were old enough to donate for the first time and took advantage of the opportunity to help the Red Cross replenish their supply.

CHRISTMAS PARTY

SENIOR CLASS

On December 22, 1979 the class of 1980 followed a tradition established by the class of 1978 and sponsored a Christmas party. The dance was held in the new cafeteria. There was food and fun in abundance. The dance, even though sparsely attended, gave the class members a head start on the Christmas season's festivities.

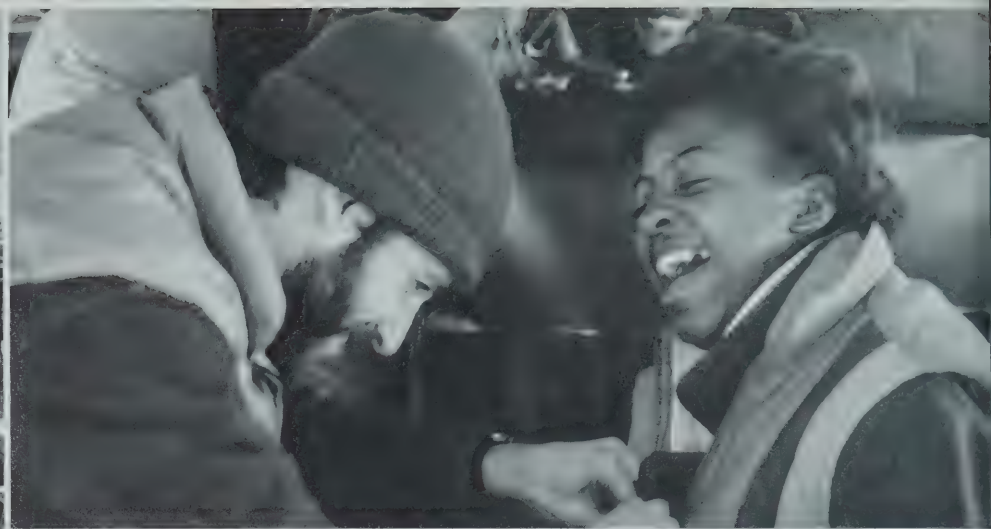

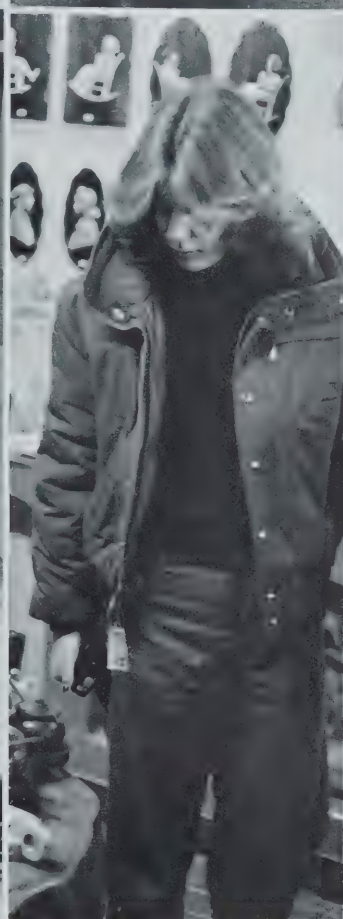

The senior class traveled to Quebec for our last major trip together. We left the school grounds at midnight on Thursday, February 28, and arrived in Quebec Friday morning. The time we spent together here was memorable. We all engaged in different activities, skiing, tobogganing, swimming, etc., Friday afternoon, and dined at Le Bonaparte's Friday night. Some students went dancing at The Concorde, while others returned to The Holiday Inn. Saturday was spent skiing, sight-seeing, and swimming. Saturday night we dined at Le Difference. Afterward we went roller skating at a roller disco.

We departed from Quebec at noon on Sunday morning, and arrived in Cambridge at 10:00 Sunday night. Strange how the time that is spent the most meaningfully passes so quickly.

FOOTBALL

Defensive captain Ed Sullivan discusses strategy with the coaching staff.

We did not have a very successful season but the team spirit was with us throughout the year. Loss after loss the team still got up for the next game. Prior to our last game, our spirits were elevated and they stayed this way until the Turkey Day Game. This was due to our defeat of Weymouth South. It was our first win and it felt good. One of the main reasons we did not do well this year is because we were a young team in the highly competitive Suburban League, Division one. With more experience the team will do better in the future.

SUBURBAN LEAGUE CHAMPS

The 1979 edition of the CRLS Cross Country team ran its way to the Suburban League Championship. Led by the exploits of Mark Themea, Michael Stead, Rob Sheehan, Chris Lange, Ron Crivello and a host of others, the team had an unbeaten season finishing with a record of 7-0. The Cantab Warriors also dominated the voting for the league All-Star team placing Mark Themea, Rob Sheehan, and Mike Stead on the team. CRLS has always been proud of the winning tradition in track and Cross Country over the years, and with this year's championship, we are on the road to restoring this heritage.

GIRLS CROSS COUNTRY

The girls Cross Country team began the '79 season with five straight victories. Unfortunately it ended with three losses. The result was a third place finish in the Suburban League. The team did well considering the overall age of the members. It consisted of five freshmen, three sophomores, nine juniors and two seniors. Credit should be given to freshman Thayer Plante who was undefeated in league meets and finished 10th in the state meet.

Co-Captain Christine Kelleher, Coach Joe Sousa and Co-Captain Patricia Gallego.

Coach J. Sousa, Back row: A. Agarawal, M. Panico, J. Thompson, K. Roberts, W. Aaronian; front row: C. Kelleher, T. Plante, A. Limberakis, D. Brode, J. Belcher, P. Gallagher.

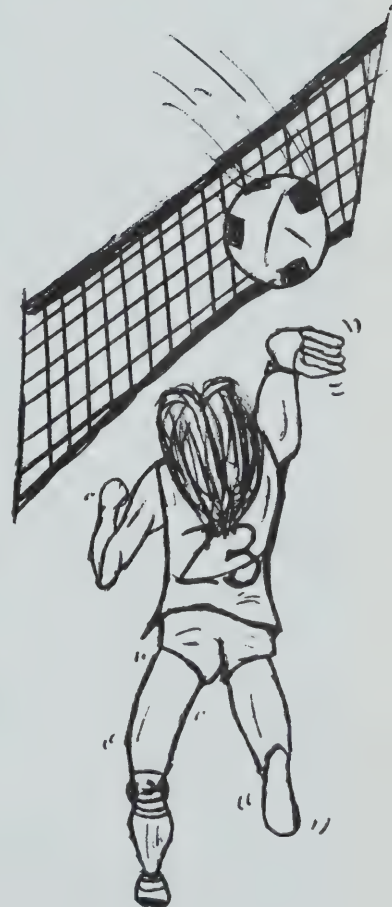

VOLLEYBALL

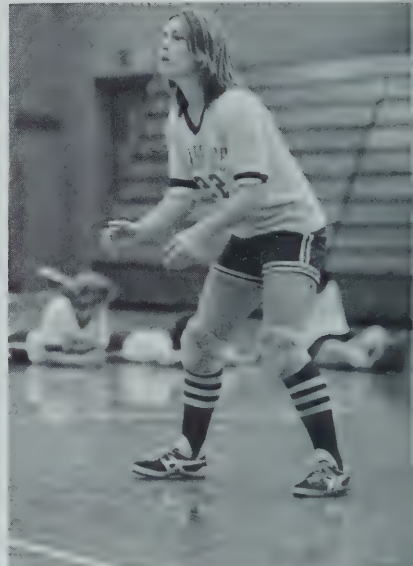

The 1979 edition of the CRLS volleyball team kept a winning tradition alive. For the third year in a row, they qualified for the state tournament. The team was led by senior co-captains Kellie Pini and Laurie Cruickshank, and new coach Lorraine Canty. The team played with excitement and determination, and was a real crowd pleaser. Next year's team should be equally exciting and successful with stars like Carol Thomas, Tina Girard, and a host of others. We look forward to the return of Peggy Shinkwin and Marie DiClemente.

STATE CHAMPIONS

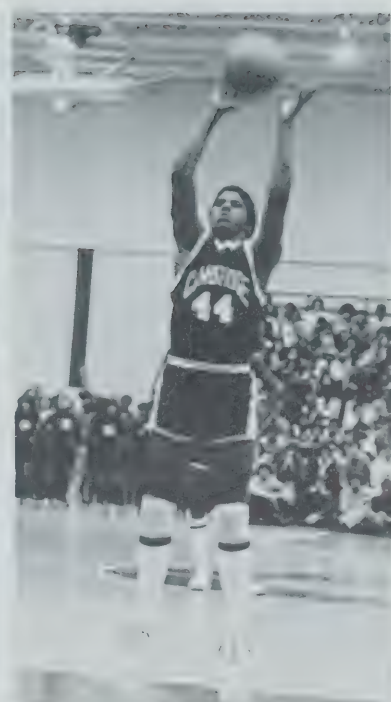

The MIAA!! That's a term that became as renowned as Patrick Ewing around CRLS during the basketball season. This was truly a year to be remembered. The team and its coaches not only battled foes on the court, they battled in the courts also. To some extent they learned from both experiences. If the words recruiting and residence requirements are never heard around here, it will be too soon.

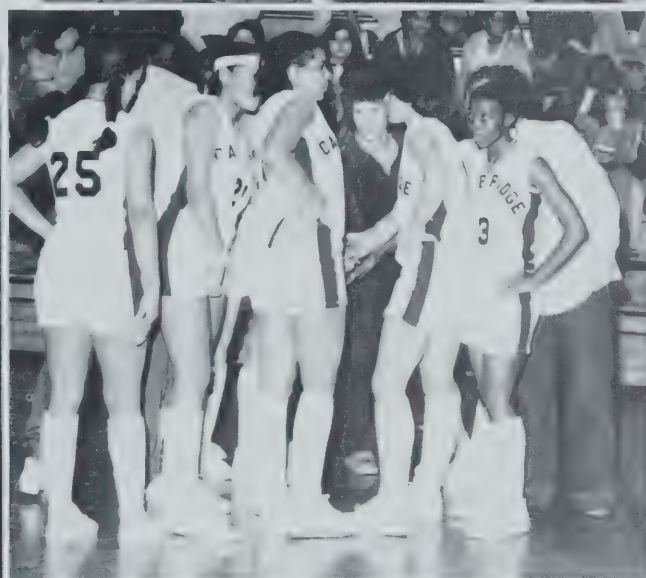

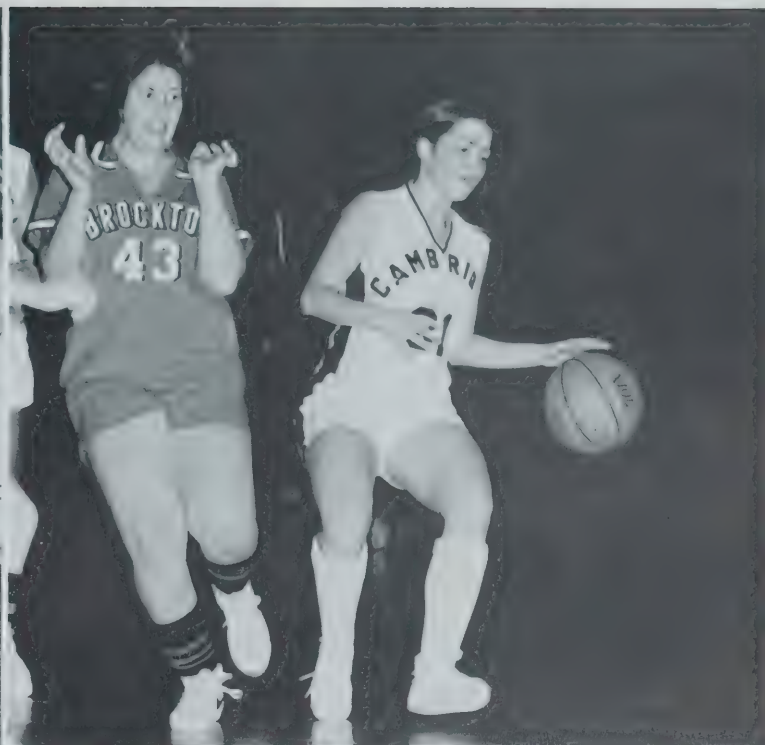

Let's now dwell on the team's exploits on the hardwood. Led by everyone's high school All-American Patrick Ewing and senior Karl Hobbs, the team compiled a record of 24-1, losing only to Wilbur Cross of Connecticut. For the second year in a row they captured the Division One State Championship. This was accomplished by the outstanding play of seniors Kevin Robinson, Captain Lou Robinson and Steven Gittens. The supporting cast included juniors Kevin Headly, Landon Adair and the incomparable "Peking". The coaching staff was tremendous under the leadership of "Doc" Jarvis. His assistants Coach Coccoluto and Coach Martin were valuable assets to that winning effort. The team displayed courage and determination and are to be congratulated for being successful against overwhelming odds. We are truly NUMBER ONE!!!

Back Row: J. Stephens, L. Barnes, J. Matthews, N. Sullivan, K. Dennechy, Coach Riggs. Front Row: C. Thomas, P. Shinkwin, S. Sturgis, N. Maldonado, L. Keohane.

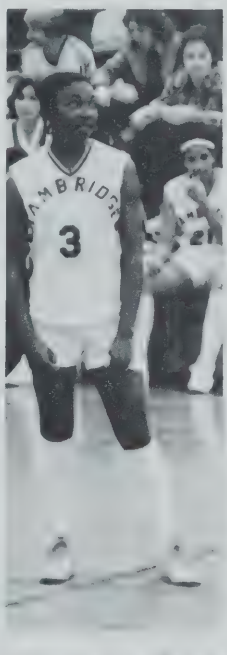

This years edition of the Girls' Basketball team finished with what many feel was a disappointing 9-7 record. We considered this record disappointing because of our State Championship last year and our high hopes as the season started. We also recognized the league became stronger, and when you're on top, everyone wants to knock you off. The decisions rendered by the M.I.A.A. didn't help our moral a lot either.

Terri Riggs, the new coach, and the team felt that despite our record, the season was not a total loss. There were many bright spots including the play of seniors Nora Maldonado, Ne-Ne Stephens and Lisa Barnes. These three were supported by the excellent plays of Carol Thomas, Tina West, and Sharlene Sturgis.

Next year should prove to be an interesting one because of the experiences gained this year. We have the talents, and desires and should have an excellent chance at another state title.

The CRLS wrestling team had a most difficult season, but it ended with promise for next year. We believe that this was the birth of a strong wrestling team. The team has earned the respect it deserves, and has been granted new facilities.

At the beginning of the season the team was underestimated by their opponents, but the team's discipline and determination earned them victories.

The season's record was 2 wins to 12 losses. This is the most impressive record they have ever had. The team is proud because of the many forfeits they received. In one event they were opposed by the top rated team in the state. They were forfeited 30 points yet still managed to accumulate 24 more, losing at an admirable score of 36-24. The student body should provide more support for this dedicated team.

The team is looking forward to a strong '80 — '81 season.

"We are strong, young and proud."

Educators have a unique responsibility in society. We have the ability to influence, to mold, to shape the changes we desire in young adults, for good or bad. We know we have lived up to this responsibility if those we teach go on to make positive change in society. If this doesn't occur, we must wonder as to our worth in society.

C.R.L.S. Student Advocates

The Student Advocates organized many successful seminars this year. One seminar focused on adolescent suicide and another seminar was entitled "Can Music Bring Us Together." Pictured on this page is the music seminar. The cafeteria was filled to a standing room only crowd. The panel of music specialists included Sonny Joe White, (KISS 108), Charles Laqueders, (WBCN), Joe Masso, Mackie McLeod, Tommy Hodges, (WZOZ), Reebee Garafalo, and our own Jimmy Smith. The purpose of the seminar was to teach appreciation and understanding of each other's music. The seminar was a huge success!

The advocates also put together a race relations seminar sponsored in conjunction with the Teacher Advisory Program (TAP).

The student Advocates also counsel their peers when they need someone to talk to. The advocates are a dedicated, caring group of people and are advised by Larry Aaronson.

THE LAW CLUB

The club once again had a very active year including several seminars with law enforcement officials. The club's activities were highlighted by a two hour seminar on consumerism. Two of the guest speakers were Scott Harshbarger, a prominent Cambridge attorney, and Francis Duehay, a Cambridge City Councillor. The students viewed movies on consumerism and watched a skit put on by members of the Law Club. The club's objective is to get as many students as possible involved in law and to acquaint students with the judicial process.

BLACK STUDENT UNION

The black Student Union, from its founding in 1969, has been zealous in promoting positive programs which depict the contributions of Black Americans to this society.

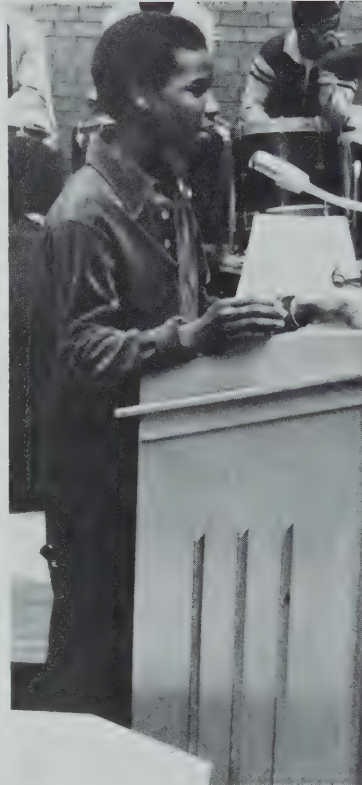

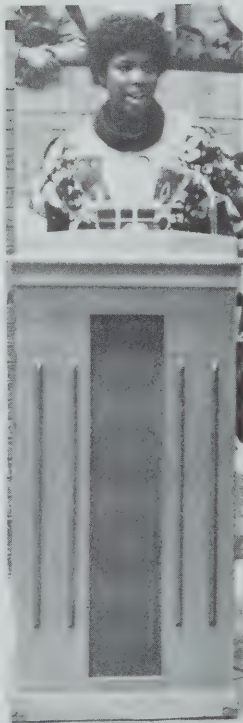

The most prominent ones have been:

A) Kwanza — an extended family celebration, and/or occasion, for strengthening Black family. Kwanza stresses solidarity while serving as an educational experience for black children in social and spiritual matters in the African tradition.

B) The recognition and honoring of the life of Dr. Martin Luther King Jr.

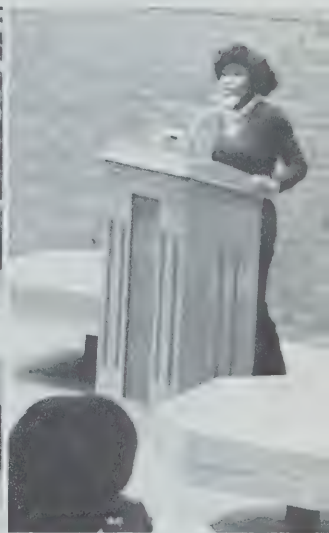

C) Education and historical offerings for Black History Month. Since we are ending this decade as our founding brothers and sisters did, in turmoil, we leave their hopes and our small progress for the B.S.U. members of the next decade.

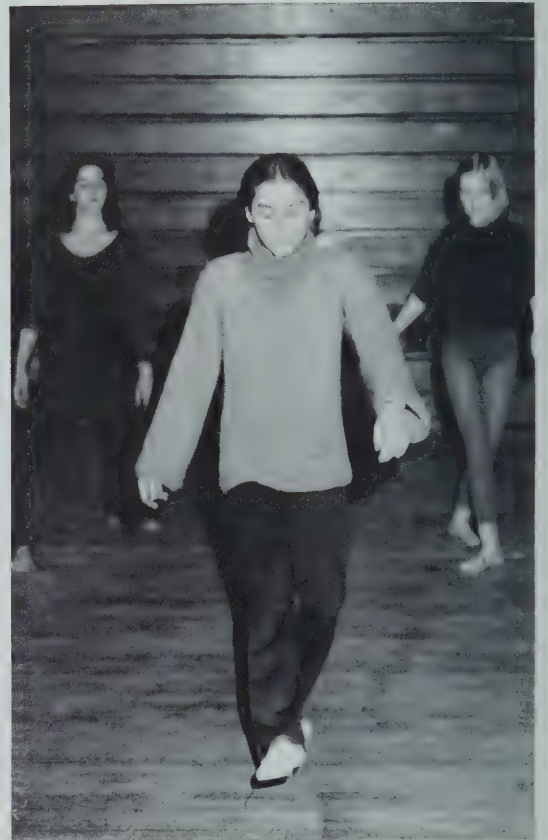

"Encourage equality of education, communicate the voice of Black Students, and promote cooperation and understanding within the school."

WILDERNESS CLUB

The 1979 — 80 Wilderness Club had another great year, braving all kinds of weather to enjoy myriad activities throughout New England. Members participated in hiking, backpacking, canoeing, winter camping, cross-country skiing, rock climbing, and first aid training. Our student leaders, the backbone of our club, gained and tested their leadership skills during the year. All members found a challenge waiting for them which they successfully met through group cooperation.

ALPINE SKI CLUB

One of the most successful and exciting clubs this year was the CRLS Alpine Ski Club. The club was coordinated by Michael Krasnow, but it was run mostly by and for the students. The club draws members from every program and house in the high school. This year over 400 students and faculty member skied with us doubling last year's record breaking effort of 200. Although many skied with us more than once this year, over 250 different people participated. In addition 12 of our members were trained by Youth Enrichment Services (Y.E.S.) of Boston to be ski instructors. Due to the support of the school administration, Y.E.S. Services, bake sales, and a very successful ski raffle, we were able to finance trips at the cost of just \$10.50 per person. This price included transportation, lift tickets, equipment and ski instruction. We look forward to an even better season next year (but we'll miss the seniors!) . . . THINK SNOW!

The tree missed me by this much!

TURNING POINT LEARNING CENTER

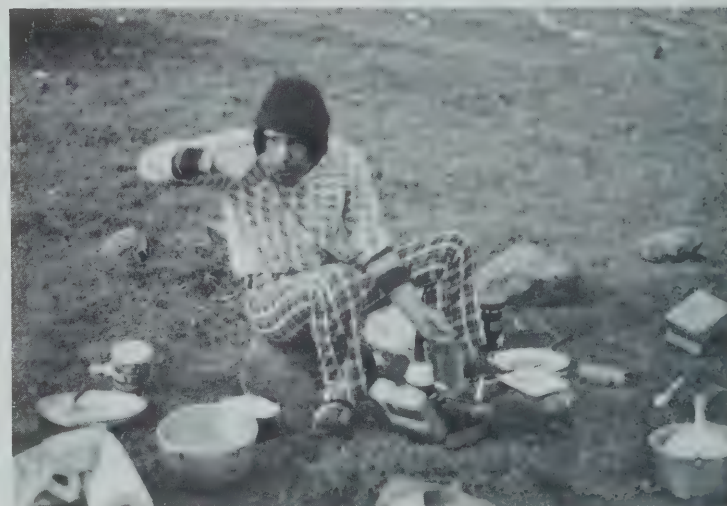

The Turning Point Learning Center, an alternative component of the Bilingual Program for grades 9-12, strives to aid students in obtaining the basic academic and social skills necessary for future employment. T.P.L.C. utilizes as many school resources as possible, with special emphasis on Title One and Work Study services, along with the close cooperation of other teachers in the standard Bilingual Curriculum. But, in addition to the academics, there is also room for fun. T.P.L.C. students avidly participate in camping, skiing, bicycling, and canoeing trips, building recreational and cooperative skills as well.

CLASS WILL

WE, THE CLASS OF 1980, OF THE CAMBRIDGE RINDGE AND LATIN SCHOOL, BEING OF SOUND MIND AND BODY, DO BEQUEATH THE FOLLOWING TO THE MEMBERS OF THE STAFF AND STUDENT BODY OF CRLS:

Mr. Culhane — A metallic jogging suit with disco glitter trim.
Miss Rehfield — Enough computer terminals for at least half of her first period class.
Miss Grady — A perma-curl kit from "afro-sheen" and a life size poster of Trigger.
Mr. Lukas — French waxing cream for his mustache and an office in the Main Office.
Ms. Kelly — A million dollar gift certificate to Sacks Fifth Avenue and contact lenses.
Ms. Eisenhower — A court mandate requiring her to leave the school premises promptly at 2:30 like most other teachers.
Mr. Kimbrough — The patience to deal with future senior classes worse than ours; or boxing gloves.
Ms. Wasserman — The best of luck in her future endeavors and a happy sabbatical.
Ms. G. McCabe — Three arms and thirty hours in a day so that she can fit everything in.
Mr. Walcott — A private office with separate waiting rooms and a lazy susan for her desk.
Mr. Weinstein — A three piece suit from "Louis," or a new cordoroy jacket and matching Levis.
Mr. Cabral — A pair of stilts or elevator shoes.
Mr. Conward — An autographed copy of "Roots" and about eighteen hours sleep.
Mr. Riley — A case of aqua-filters and a new "Get Smart" attache case.
Ms. Murphy — A set of bunsen burners without leaks and our "Love."
Mr. Samp — An I.D. card certifying that he is indeed older than his students or at least over twenty-one.
Mr. Sarasin — A ten year supply of Grecian formula II and a permanent seat on the MIAA Board of Directors.
Ms. Taylor — Ten Biology books by Helena Curtis entitled "The Lonely Lion Says Gerr"
Ms. Waddie — A new pair of converse all-stars.
Ms. Farinato — Another desk so that she will now have two to mess up.
Mr. Martin — A supply of Lacoste alligator sweaters and a comb to add to his collection.
Mr. Wisdom — His own private chauffeur and a year's supply of chocolate bars.
Mr. Greenidge — A football field within a ten mile radius without craters and bricks.
Mr. Jarvis — A "non-controversial" basketball season and another State Championship in '81.
Pat Ewing — Thanks for the memories and an hope for a successful '81 season. You've only just begun.
Fred Han, Roy Crivello — Our thanks for coming in at 7:30 and selling our doughnuts.
The Underclasspersons — The faith to move successfully into the '80's and the desire to make CRLS a better place to live and learn.
Our Classmates — Peace, Love and Happiness in the Future.

CLASS HISTORY

FRESHMAN YEAR

During freshman year we all occupied the same house, House B, in what was considered an experimental program. The time we spent together here provided us with an opportunity to establish friendships which were very close and lasting. We learned to function as a class; we displayed this ability in the protest against the proposed name of the new school (The Frederick H. Rindge Memorial High School) when hundreds of students staged a walkout.

During this year student government was very active. We worked for early release, extension of school boundaries and the establishment of a student lounge. We assumed responsibilities for our own actions and were rewarded accordingly with new opportunities. The Fundamental School was established this year too. It was successful because of the cooperation of both students and faculty.

This year's activities included a presentation by the Music Department: **Trial By Jury**, an excursion to the Whole World Celebration, a class trip to view **Rocky**, a fashion show and a toga party in Mr. Coccoluto's World History class.

SOPHOMORE YEAR

In sophomore year we were divided and placed in two separated houses, Houses A and B. This upset us greatly, and we strived throughout the year to regain our unity. As tensions over this issue grew, the school merged, adding more chaos to the already "boiling pot." We were relieved to learn that the school had been named Cambridge Rindge and Latin. The Drama and Music Departments held their annual productions: **Music Man**, **Our Town**, and **The Crucible**, all of which were excellent. Student government organized many activities including our first annual Blood Drive, a Christmas party at Kimmie's and a class trip to see **Star Wars**. The class had its yearly trip to Paragon Park.

The Blizzard of '78 was probably the most exciting event of the entire year. The snow days we received combined with the February vacation to give us an unexpectedly long winter break. During April vacation many clubs made excursions to foreign countries, such as Mexico and Canada.

JUNIOR YEAR

In the beginning of our junior year the entire administration was reorganized, and Mr. Sarasin became headmaster. Junior year was definitely the most exciting year thus far. Most students were preoccupied with college and career plans. After PSATS we were all pretty much depressed. Many students participated in this year's plays; **Pippin** and **Oklahoma**, both smash hits. **The Rivals**, a dramatic production, which entered the Boston Globe Drama Festival was good enough to participate in the State Drama Festival.

This year our school made the history books when both the girls and boys basketball teams won the Division 1 Titles. It was the first time in history that basketball teams from the same school won the State Championships in both titles. Pat Ewing made a spectacular entrance into the basketball scene this year. Other members of this winning team were just as great.

The National Honor Society inducted several juniors. The junior class sponsored many cake sales and a carwash to raise money for the Junior Prom, which was fairly successful and definitely memorable. The move to the new building was initiated this year after much discussion and planning. We were all Pleased with interior of the Rindge building and looked forward to our admittance into it.

SENIOR YEAR

The year began with a trip to the College Fair, which was held at Bentley College in Waltham. This was followed by many hours of filling out our college applications and waiting, sometimes impatiently, for April 15th. We spent a great deal of time thinking about, and preparing for, the future.

There were also school dances; The Halloween dance, which was sponsored by the Yearbook, and another dance, which was sponsored by the Senior Class. We held a Senior Christmas Party, and a roller skating party at the Wal-lex.

The National Honor Society inducted thirty new seniors, and various other clubs sponsored many activities, including special presentations at lunchtime, during National Ethnic week. The month of January was not so merry as we lost two of our classmates. These losses made us value our own being, and prompted us to improve relations with one another and cherish each other's company.

One of the highlights of the year was our ski trip to Quebec, Canada. We departed Cambridge at midnight, and before we knew it we were at the border. We stayed at the Holiday Inn in downtown Quebec. The whole weekend was a winter wonderland. We toured the old city of Quebec, and tobogganed, and ice skated at Valcartier Sports Village, disco rollerskated and skied at Mt. St. Anne. There was an extra treat at Mt. St. Anne, where many of us watched the World Cup Races, and saw our favorite Olympic heroes race against the clock. We had a taste of French cuisine and culture.

Then the time came for us to leave Quebec. It was a weekend we will NEVER forget!!

Now that our winter trip is over we **are** getting the fever — SPRING FEVER that is. We were now looking forward to the Prom. The place will be the Chateau de Ville. It will be the last time we will be together before receiving our diplomas.

Now the moment we've waited for has come — GRADUATION!! Now we must move on to new experiences, but we will hold these memories dear in our hearts.

Farewell CRLS
The 80's Await Us!!

EPILOGUE

Our future lies before us,
These moments we have spent together
have blown away.
It is time to move on.
As we leave this world
we enter another.
Our lives will change,
but we shall never
forget what we had;
four years of love and friendship
which will forever live on
in our memories.
We experienced many disappointments,
but we were together
and this pulled us through.
We experienced sadness,
but we had friends to talk with
and understand.
And we continued.
As we depart, we again feel sadness . . .
but we must continue . . .
For our future lies before us. Farewell CRLS from the Class of 1980
